None.

BOARD INQUIRIES, ISSUES, AND IDEAS

None.

STAFF UPDATES

Administrator's Report

Ms. Christopher reported on the following items:

1. Construction of the Gateway to the Greenway project commenced on June 15;
2. Watershed districts have been tracking and commenting on a proposed revision to the plumbing code to prohibit stormwater as an alternate source for non-potable applications; following extensive testimony against this proposal from a broad coalition, the Plumbing Board voted to rescind its authorization for this rulemaking, to reconvene its ad hoc committee working on this topic, and to consider more stakeholder input;

Minutes of the Regular Meeting
Minnehaha Creek Watershed District
Board of Managers
6/25/26

3. Staff have been communicating with the Stubbs Bay Lake Improvement District concerning a potential request for a capital improvement project; more discussions will follow;
4. The watershed received over an inch of rain this past week, which briefly increased the elevation of Lake Minnetonka to 929.13 and Minnehaha Creek peak flow at Hiawatha to 80 cubic feet per second; staff briefly implemented the minimum discharge at Grays Bay control structure at 20 cfs, and the current Lake Minnetonka elevation is 929.08 and the Creek is currently flowing 44 cfs at Hiawatha; and
5. In preparation for the upcoming Board retreat, staff is requesting that members complete a StrengthFinder assessment.

Adjournment

There being no further business, President White declared the meeting of the Board of Managers adjourned at 7:07 p.m.

Respectfully submitted,

Arun Hejmadi, Secretary
