**Title:** 2022 Election Summary and Legislative Update

**Prepared by:** Name: Samantha Maul  
Phone: 952-641-4518  
smaul@minnehahacreek.org

**Purpose:**

At the December 15, 2022, Policy and Planning Committee (PPC) meeting, Outreach staff will provide an update on the 2022 fall election outcomes and changes at the state legislature relevant to the Minnehaha Creek Watershed District (MCWD or District).

**Summary:**

To ensure the Board and staff are tracking broad trends and specific changes among key audiences, staff have developed an election snapshot that provides a high-level scan of election results for municipalities, counties, and state legislature seats within the District. This will be delivered to committee in collaboration with Joel Carlson, MCWD's government relations consultant.

**Election Overview:**

State

At the state level, Democrats took full control of state government for the first time in eight years. Major executive offices were up for election this year. The Governor, Secretary of State, and Attorney General races were closely watched. Tim Walz and Peggy Flanagan retained their positions as Governor and Lieutenant Governor. Both Keith Ellison and Steve Simon, Attorney General and Secretary of State, also maintained their roles against republican challengers.

Throughout the state, significant redistricting affected election results. Many legislative districts within MCWD have been redrawn. Prior to redistricting, MCWD's legal boundary was home to ten legislative districts, it now contains thirteen. Within these thirteen districts, the 2022 election resulted in three Republican Senate seats and ten Democratic Senate seats. The House election resulted in four Republican seats and fifteen Democratic seats.

See maps 1, 2, 3, and 4 for the changes to MN legislative districts and representatives.

County

In Carver County, four of the five commissioners were up for re-election. All four retained their seats: Gayle Degler, Tom Workman, Tim Lynch, and John Fahey. All but Tim Lynch faced challengers but won with significant margins. In Hennepin County, three commissioners ran for reelection: Irene Fernando, Marion Greene and Angela Conley. All three maintained their positions. Conley and Fernando ran unopposed.

Three Rivers Park District had five commissioners up for election, and one up for Hennepin County appointment. Three incumbents won their races for Park District Commissioner. In the two remaining races for District 3 and District 4, incumbents did not run. Erin Kolb ran unopposed for District 3 and Louise Segreto won against a nonpartisan opponent for District 4.

City

There were many municipal elections across the watershed district. Table 1 below summarizes the municipal races that took place in November 2022. City candidates are typically non-partisan and serve four-year terms.

See Attachments 1, 2 and 3 for a tabular result of the elections as they relate to MCWD.

**Table 1**

At the December 15th PCC meeting, staff will summarize this 2022 election scan and cover the following:

- Purpose of the election snapshot within the context of MCWD’s mission, strategy, and outreach
- Approach and methods used to develop the Fall 2022 Election Snapshot
- Summary of municipal and county election results
